

882IS

882IS Intrinsically Safe Digital Weight Indicator

The intrinsically safe power supply enables wiring to a single AC conduit line and seal from the safe area. An FM approved, rechargeable battery is also available for isolated power or movable applications. The 882IS utilizes a backlit LCD display to maintain brilliant visibility for user-friendly operation, even in dimly lit areas. Its stainless steel enclosure provides superior protection from the elements.

**The best solution
for advanced industrial
applications**
