

## KSBFI - 1

"KSBFI": STAINLESS STEEL FEET FOR SBX and SBK LOAD CELLS

Stainless steel articulated feet designed in order to obtain the best weighing performances, particularly suitable for creating scales with 4 load cells. Extremely compact and easy to install, the feet minimize the height of the platform and ensure a perfect decoupling of the lateral forces during the weighing operation.

**The best solution  
for advanced industrial  
applications**

## MAIN FEATURES

- Applicable on SBK and SBX load cells up to 5000kg.
- Designed especially for use on 4-cell platforms.
- Perfect decoupling of the lateral forces during the weighing operation.
- Extremely compact and simple to install, minimizing the height of the platform.
- Adjustable height.
- Completely stainless steel construction.
- Non-slip base.
- To combine with BLKM12I/BLKM20I bush.
