

HSW

COMPACT WEIGHING SCALE "HSW"

High-performance electronic scales with multifunction weighing program. The large backlit display with 30 mm digits makes it easy to read the weight even in low light conditions. Its compact dimensions and built-in long battery life make it ideal for weighing in any location where main power is not available.

**The best solution
for advanced industrial
applications**

FEATURES

- Large backlit 6-digit LCD display, 30 mm screen.
- 6-key waterproof membrane keyboard.
- Stainless steel weighing pan, dimensions 246x228 mm.
